DURO STANDAARD KLEUREN GEMENGD MET DOVER WIT

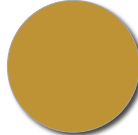

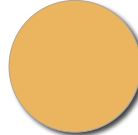

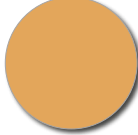

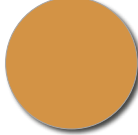

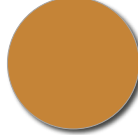

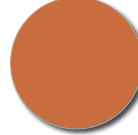

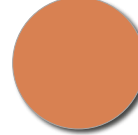

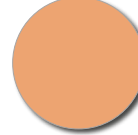

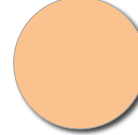

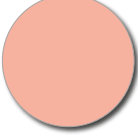

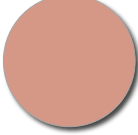

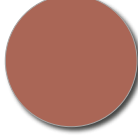

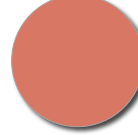

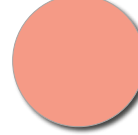

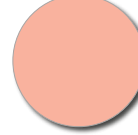

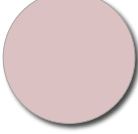

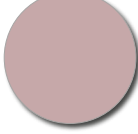

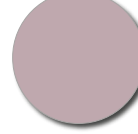

Tierrafino

Tierrafino Duro is een duurzame fijnleemstuc die dankzij een natuurlijke fixatie een harde stuclaag vormt, muren licht glinsterend maakt en het interieur een frisse en strakke uitstraling geeft. Daarbij levert Duro een positieve bijdrage aan een gezond binnenklimaat dankzij de uitstekende vocht- en warmteregulerende eigenschappen van leem.

De materiaalkosten van het product Duro liggen tussen 4 en 6 Euro per m², afhankelijk van de gekozen laagdikte en los van eventuele toeslageffecten. Tierrafino bemiddelt graag bij de aanstelling van ervaren verwerkers voor elk gewenst project in Nederland en België.
